Greetings GCSP members,

They're here! Both our new website and the newly formatted yearbooks. Thanks to the dedicated work of our Communications chair Anne Ware and Membership Yearbook sub committee chair Beth Timberlake.

Our new website will be a driving force in "growing the garden." We will be able to accept direct payments for any number of events and fundraisers. It will also be a great source of information as we will be updating all the latest information. I strongly encourage all members to check out the website. On the home page of our website as you scroll all the way to the bottom, you will see on the bottom right side a graphic of a hand holding a plant icon with the letters "MO" (Members Only) underneath it. Ask a Board Member or the leader of your interest group for the log in and password. The yearbook has a new look as it reflects the one club. The new format is easier to use and Beth spun her magic and brought it in under budget. Beth would like to point out, that any changes to membership should be emailed to Membership chair Helen Harvey at Hhavens47@tampabay.rr.com. Any other information pertaining to the yearbook can be emailed directly to Beth at bethtimberlake@verizon.net.

The "unofficial new year" at the club is fast out of the gates. I hope you share my enthusiasm for what will be a fun, informative, and efficient club.

Once again I cannot thank enough of the members for their support, guidance and insights as we all work in a spirit of camaraderie to "grow the club."

Warm regards, *Alan*

Dear GCSP Members,

Welcome to some modern technology at our club. The QR scanner code on page 107 of our yearbook is a quick and easy way to access our website. Simply hold your mobile camera over the code and our website will pop up on your screen. You can be up to date on the happening at our club in no time at all.

Special Interest Groups

As a benefit of membership, the club offers several special interest groups. These groups have a specific focus, but they are also a chance to get together in smaller groups and socialize with other members. Come try one out—you'll find many friendly faces! Anyone can introduce a new special interest group by presenting the idea to the president.

ARE YOU INTERESTED IN LEARNING STEP-BY-STEP FLORAL DESIGN?

FFGC's Floral Design Study Sessions 1-6 will be held at Davis Islands Garden Club. All classes will be conducted by approved FFGC instructors. Dates are October 11, 18, Nov 1, 8, 15, & 29. The classes will start at 9:30 AM and go to about 1:00 PM. The teaching and demonstrations will last until 11:30 AM, break for lunch (bring your own lunch), more practice and sharing until 1:00 PM.

Cost is \$75 for all 6 sessions and registrants should advise Shelia Fisher (813-376-4499 or she@fisherflorida.com) of their interest. Make checks payable to DIGC. You may mail Shelia your check or pay at the first session. Shelia's address is 157 Baltic Circle, Tampa, FL 33606.

These classes were originated by Bob Thomas to stimulate an interest in floral design for an individual to tastefully create decorations for the home, church, or any other place in need of floral decoration, as well as to satisfy the need of the individual creative urge.

Participants will learn basic tools and mechanics needed, basic components of an arrangement, along with the Principals and Elements of a pleasing floral design.

Participants need to acquire a florist's 3-inch pin frog...and bring their enthusiasm!

Grow and Share Success

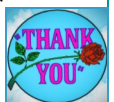

The 50 members that attended our General Meeting on Oct 12th, left with a potted plant, cuttings, seeds and an abundance of knowledge shared by Cathy Holzgart. It was great to see new and returning faces and we even had one guest become a member. The next General Meeting is on Tuesday, February 8th, 2022. Hope to see you there.

Our boutique has been popular these last few months despite the virus and we benefited from donations to sell. A big thank you to all members who shopped and donated to the garden club boutique

Many thanks to Jill Anderson for making masks, they made a huge difference in the bottom line and Ruthie Jeffords' carload of things from her neighbor.

Stock is needed for the coming season. Donations of nice things in good condition are appreciated and can be left on the garden club front porch or on the desk during meetings.
