Issue I

President's Message

Dear Garden Club Members:

As we begin to wind down the summer at the Garden Club and begin to start the club's unofficial year this September, we have some new and exciting developments in progress.

Our dedicated and talented staff of the Communications Committee will be unveiling at a to be determined date in September, the fruits of their labors. Our gifted Communications crew of Anne Ware, Terry Jordan, Gail Carlson and Rosemary Miller will be creating a network of interconnectivity like never seen before. It will all center around our newly rejuvenated and robust web site. It should be nothing short of a source of pride amongst our Garden Club members.

Anne Ware, who has been working diligently with the Communicasting web builder, will also be offering a tutorial of the website which will be open to all members. Our tentative date will be Saturday October 2nd at 2PM and it should be both informative and inspirational.

Also in the new and improved category, we cannot thank Beth Timberlake enough for her persistence in delivering a newly formatted year book. Integral to both the new yearbook and our new website, was the guidance of our inimitable Vice President, Nancy Steinbeuchler. She oversaw both of these media to ensure that we will be in compliance with the Florida Federation of Garden Club's grant awards' requirements.

On behalf of our talented crew, we are looking forward to a revived and rejuvenated club. By that I am referring to all of us doing our part to be compliant in not letting the Covid Delta Variant be an obstacle for us.

As your President, I am asking that you all honor the CDC guidelines of those not vaccinated by please wearing a mask. As an aside, it was comforting to see that an impromptu poll among our members shows a high vaccination rate. It is with much optimism, that I look forward to the start of our new year.

Alan Comeau
President

Garden Club Calendar 2021

The Garden Club of St. Petersburg, Inc.

All Members Meetings

Second Tuesday of the Month in September,
November, January, March & May

“Let’s Celebrate the year in
Flowers”

General (all members) Meeting September 14, 1:00pm

“Starting from the Ground Up!”
(Bring your Soil Sample)

Ray Wunderlich, founder of Wunderfarms, will educate us on natural ways to enhance our growth by examining the ground we walk on. We will be testing our soil samples for PH, absorbency, color and texture. Please bring one cup of soil from your yard in a clear glass jar. If you live in an apartment or condo without a yard, you will be testing the soil obtained from our Club gardens.

Greetings Garden Club of St. Petersburg Members September Events

This is just a heads up to let you know of the upcoming events for this September.

The Board of Directors Meeting will be held at 10:30 AM Friday September 3rd. Executives are required to attend and Chairpeople are encouraged to attend. A direct email will be sent to you as a reminder.

The club’s General Meeting which is open to all members and guests, which we strongly encourage, will meet at 1PM Tuesday September 14th. Don’t forget to bring your sample soil, which Wunder Farms has been gracious enough to evaluate.

Please also check out the soon to be released Grapevine Newsletter. I hope all are having a great summer, and are as enthused as I am to start experiencing our newly formed One Club.

On one last note, regarding attendance at any club event, I have to remind everyone we are on an honor system, and that anyone who is not vaccinated is encouraged to please wear a mask.

On behalf of me, our Vice-President, Nancy Steinbeuchler, and the rest of our talented officials, thank you for being an active member of the club.

Regards,
Alan Comeau

In unity there is strength.

Floral Design

The Floral Design Interest Group looks forward to a great fall 2021 season at the Garden Club of St. Petersburg and welcomes all members to our meetings, presentations and workshops. The Floral Design Interest Group promotes the art of creative floral design, particularly for competition in a flower show as well as for personal enjoyment.

October 20, 2021 @10am. Floral Design invites all GCSP members to attend a BOTANICAL ARTS PROGRAM. Kathy Echavarría and Pam Slagg from the Tampa Garden Club present an overview of the Botanical Arts Division that may be included in an NGC flower show. The October Floral Design session is limited to 20 participants.

Workshop: After the program Helen Tilden will lead a ‘hands-on’ dried flower workshop. Participants will make and take home an example of the craft.

Register for the workshop with Barbara Kirkconnell (indigo9933@gmail.com) by October 13th. The workshop is \$5 for garden club members and \$10 for guests. Pay at the door and bring tweezers.

November 17, 2021 @10am. All are invited to attend the Floral Design program using paper in creative floral design. Presented by garden club award winning floral designers, paper in various forms will be featured.

Recycled treasures. This program inspires designers to use color and texture as well as possibly recycling paper products in creative ways. Look at packing materials in a whole way!
See you there!

Night Gardeners

September 7, 2021 Meeting: Due to no power in the building because of a violent storm, the August program on Dracaena and Sansevieria plants by Bessie Morse will held at the September meeting. There will also be a short program on Crotons by Cathy Holzward and Shay Blough.

October 12, 2021 meeting: Square Foot Gardening by Tom Young.

November 9, 2021 meeting: Amaryllis plants by Rosemary Miller.

Garden Buds—GBs

This Horticulture interest group meets the second Thursday of the month at 10:30. The first meeting will be on October 14th. The speaker for this meeting is Rebecca Wellborn and the subject is how to change the grass in your yard to a native plant oasis. No more mowing and watering. Plant native and enjoy the seasons, bees, birds and butterflies. At the beginning of the program there will be a plant swap, a show and tell of the plants that people bring in and a chance to work with our plant expert, Master Gardener Bessie Morse, to identify plants. You do not have to swap plants. You also may bring cuttings and plants to share with others at the meeting.

The second meeting is on November 11th and will be a field trip to Sweet Dream Amaryllis in Valrico, Florida. Meet at the Garden Club at 10:00 to carpool or you may go on your own and meet there.

For more information on the BGs programs please contact:
Sally Farr. 727-515-0517 68mustangsal@gmail.com or
Sande Doherty 727-388-3464 sandee@johnsbay.org

General (All Members) Meeting Entrance

You will notice a few small changes that will make a big difference in our environmental impact when you arrive for Garden Club General Meetings. As you enter the building you will “sign-in”. This attendance record will be compiled and analyzed to determine future programs of interest to you. If you bring a guest, be sure they include a phone number on the sign-in sheet so our Membership Committee can follow up.

Next, you will see “sign-up” sheets for any volunteer needs in the coming

months. Bring your calendars. Our new website will enable you to sign-up on-line as well and receive email reminders prior to the event. After you sign-in and sign-up you can “drop off.”

Collection banks are eager to put your loose change to good use (World Gardening, Penny for Pines). Also, bring your donation items for resale in our Boutique, wine corks, local charity essentials (Brookwood, Daystar, Pinellas Hope, etc.) The General Meeting programs scheduled for this year are all “interactive,” meaning you will be asked

to bring something from home to fully participate. Be sure to check the Grapevine or your Yearbook for specifics. Name tags will not be stored at the club but distributed to each member, so before you leave home to attend a meeting at the garden club, run through this checklist. Do I have my nametag, calendar, loose change, donation items, money for boutique shopping, opportunities or 50/50, checkbook for events and the General Meeting requested item? This club belongs to each of us and you are a critical member to its success!

October Plant Sale

October is around the corner and you know what that means? Yes, our plant sale which is our 2nd largest fundraiser for the Garden Club. Hope you are getting your plants started and groomed for our sale.

Our Sale is on Saturday, October 23rd 9am – 3pm. Yes, we will need volunteers to help set up on Thursday and Friday, Oct. 21 and 22 between 9-12pm and to help sell on Saturday, October 23rd.

Please email Sally Farr at 68mustangsal@gmail.com or Helen Harvey at hhavens47@tampabay.rr.com to sign up.

Also, don't forget your yard art and patio furniture. Please label your plants names and price if you can. Oh! Almost forgot. We will have brats and dogs on the grill. Hope to see you there.

Sally Farr and Helen Harvey

Christmas Recycle PLUS PLUS!

Hallmark already has their bells ringing so why not at our Garden Club? We can start ringing our bells and get ready for our Christmas Recycle Plus Plus Sale.

Our sale is one day, Saturday November 20, 9am—3pm. Our big hit is the BAKE Sale, so go through your recipes and look for the ones to score big at our sale.

We also sell plants and almost new gift items.

More info to come in our next newsletter.

Jan Ankerberg

Fundraising Chairman

Picture This!

(Please bring a small photo of you)

“Bee a Pollinator of Garden Club Growth” poster will be on display at each General meeting throughout the year. It is a collection of small (1.5 inch) face photos and names of members from every Interest group.

Please bring a small photo of you to add to the collage to any general meeting. This helps our new and any forgetful members stay connected.

Special Interest Groups

As a benefit of membership, the club offers several special interest groups. These groups have a specific focus, but they are also a chance to get together in smaller groups and socialize with other members.

Come try one out—you'll find many friendly faces! Anyone can introduce a new special interest group by presenting the idea to the president.

Yearbooks: Hot off the Press!

Hot

Pick-Up Dates and Times

Are you excited to see our 2021-2022 yearbook? They will be available at the Club for pick-up on Friday, September 3rd between 1pm-4pm.

Also you can arrive early for our first General Meeting on Tuesday, September 14th. Attend our pre-meeting social from 12:00pm-1:00pm to get your yearbook and re-connect with friends. Yearbooks will also be distributed at your Interest Group meetings when they resume in the fall.

(Note: Some Interest Groups are not meeting in September.)

The Garden Club is Available to Rent.

GARDEN CLUB OF ST. PETERSBURG HOLIDAY LUNCHEON

**Tuesday, December 14, 2021
at Isla del Sol Yacht & Country Club**

A Celebration of the Year with a “Calendar of Floral Designs”

(watch for more information to come!)

Please Note: We need 10 more volunteers to do a floral design representing a month of the year in flowers! Pick a month! It can be a table setting design, or a design on a pedestal, or whatever you choose to do to interpret a month or holiday during a month of the year! You do not need to be a member of the Floral Design Group! You may even work as a team! Share your creativity to have on display to celebrate the Holiday Season together!

Contact Bea Rahter for details and to volunteer:
bgrahter@gmail.com

Trash to Treasure

Our Trash to Treasure Sale at the Garden Club was well attended and the members who sold their goods were very happy with their sales. Everyone had a good time and we will do this again next July.

Thank you,

Jan Ankerberg
Fundraising Chair

District VIII Meeting Cancelled

After conferring with the hosts of the Fall District VIII meeting, we have decided to hold this meeting on zoom and have cancelled the reservations for the DaySpring Conference Center. The rapidity with which the covid variant(s) are moving through the population causes us to take the very most cautious course of action.

We will set up the zoom link and send that out to everyone shortly.

So the date is the same, Wednesday, October 13th—we will zoom at 10:00. I think we should have a floral design or an example of a botanical arts with us for the zoom... think of something that will make it a special day. I am open for ideas.

Board of Directors for District VIII will also be on zoom on Monday, September 13th at 10:00. Link to follow.

Be well,

Kitty Wallace,
District VIII Director

Zoom to District VIII Meeting

District VIII Meeting in your yearbook schedule on October 13th is now a zoom meeting. More information to follow.

Jan Ankerberg
Conference Co-Chair

**Masks are optional
at the club.
Bring one with you in case
the rules change.
Thank you!**

Our boutique has been popular these last few months despite the virus and would benefit from donations to sell. Many thanks to Jill Anderson for making masks, they made a huge difference in the bottom line and Ruthie Jeffords's carload of things from her neighbor.

A big thank you to all members who shopped and donated to the garden club boutique, we had a successful fund raising year.

Stock is needed for the coming season. Donations of nice things in good condition are appreciated and can be left on the garden club front porch or on the desk during meetings.

Tee Shirts

Come and get one for yourself or a friend. Contact your Circle President for more information.

Show your support for your Garden Club.

**Send Grapevine Articles to:
gcsprapevinenews@gmail.com**

The Garden Club is Available to Rent.

Do You Need a Facility for an Event?

or see Rental Information on our website,**

MASKS FOR SALE

We have masks for sale in boutique, handmade by our "Jill Anderson." Available Two kinds for you. \$2 and \$4 each.

What is AmazonSmile?

AmazonSmile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you. When you shop at AmazonSmile, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to your favorite charitable organization. You can choose from nearly one million organizations to support, including the **Florida Federation of Garden Clubs Inc.**

How do I shop at AmazonSmile and support FFGC? Log into the Florida Federation of Garden Clubs web page at ffgc.org. You will see the following the image to the right. Scroll down to the word Amazon in blue and underlined. Click on the work Amazon and it will take you to the Amazon page where you can place your order.

Which products on AmazonSmile are eligible for Charitable Donations? Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. Recurring **Subscribe-and-Save** purchases and subscription renewals are not currently eligible

Can I use my existing Amazon.com account on AmazonSmile?

Yes, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, Wedding or Baby Registry, and other account settings are also the same.

Dear GCSP Members,

Welcome to some modern technology at our club. The QR scanner code on page 107 of our yearbook is a quick and easy way to access our website. Simply hold your mobile camera over the code and our website will pop up on your screen. You can be up to date on the happening at our club in no time at all.

Cindy Ordes

Junior Gardening

Junior Gardeners

Like many other things, Summer Camp was cancelled last summer. So we were very excited to be able to have our "The Importance of Pollinators" Summer Camp program this year! We met at the garden club June 13-18...9:00am-12:00 noon. We had 10 wonderful, energetic, inquisitive children ages 6-10.

Each day we learned about pollinators (butterflies, moths, bees, birds) and how very valuable their job is here on our earth!! We had a beekeeper who brought bees for us to see and learn about! What a fun day that was.

We took our 'walk-about' each day exploring our gardens and looking for our pollinator friends. We also made crafts that went with the pollinators we studied each day.

Next year we hope to have 20 children in our Summer Camp. Our dates are June 6-10, 2022. We always need volunteers!!

MARK THIS DATE.....'Junior Gardeners' will start back up **FEBRUARY 6, 2022...1:00-3:30pm**. Open to boys and girls 1st grade thru 5th grade. Hope to see you there.

Sally Fann

Gardening

SAVE YOUR WINE CORKS

Save your wine corks and bring them to the Garden Club. Whole Foods Market sends them to be recycled. Another way to save our earth and enjoy wine at same time!

MEMBERS PLEASE NOTE

All members can add notices and pictures for the Garden Club's Facebook page by sending them to:

Carol Lucia @ 727-393-8276
gardenclubstpete@aol.com**

You could have your Wedding or Reception at the Garden Club of St. Petersburg. Our grounds feature a beautiful Wisteria covered Arbor. A wonderful place to have a Garden Wedding.

Then come into the COOL Garden Club of St. Petersburg for your reception. Decorated to your liking.

GCSP IS ON FACEBOOK

The Garden Club of St. Petersburg's Facebook page was started on May 16, 2015 by member and Master Gardener Terry Jordan. Since its creation the page has grown to a following of 733 readers. Our reader base consists of 534 followers from the Tampa Bay Area and 199 readers from places such as Canada, Philippines, Italy, Bulgaria, Bolivia, The Bahamas, Costa Rica, France and India!

The purpose of the GCSP Facebook page is to promote the mission of the GCSP by encouraging an interest in gardening, horticultural study, preservation, beautification, and community service. Our posts give our readers UF/IFAS research based gardening information with topics including: beneficial insects, native plants, pollinators, palm care, vegetables, garden safety, wildlife, wildflowers, yard art, recycling and much more. Short and informative posts are put up every other day at 2:00 a.m. The beauty of social media is that it provides FREE advertising for all GCSP events, meetings and fundraisers. Pinned to the top of our

Facebook page you will see a listing of all upcoming events and meetings.

We would like to increase our members' interaction on our page. To LIKE our Facebook page please go to

<https://www.facebook.com/gardenclubstpetersburg>

and click like. To increase our post outreach and thus increase our FREE advertising please interact with our posts by making a comment, sharing our posts or clicking like.

If your circle has had an activity that would be of interest to our community or you have an amazing plant you would like to share with our Facebook readers please send a high quality photo and a short informative message telling our readers about your activity or plant. Send photos and articles to Terry Jordan at

gcsfacebookpage@gmail.com

The Garden Club of St. Petersburg's Facebook page recently reached a huge milestone passing over **2,000 Likes**. Currently the page has 2,144 followers, the bulk being from the Tampa Bay area and Central Florida. The page also has some international followers from 31 countries such as the Philippines, South Africa, Canada, Mexico, India, Brazil, South Korea, Russia, Sweden, Turkey, and Australia to name a few.

The Garden Club's page continues to be an excellent community outreach by giving our followers UF/IFAS research based gardening information, and a means to promote the mission of the Garden

Club of St. Petersburg by encouraging an interest in gardening, horticultural study, preservation, beautification, and community service.

Some of our most popular posts are photos of Garden Club member plants, gardens and circle field trips. The virtual flower in April reached 1.6K individuals. We would love to showcase your beautiful plants and gardens on the Facebook page. Simply send a photo to gcsfacebookpage@gmail.com along with any information you would like to share. I hope to hear from you soon!

Terry Jordan, Facebook Page Admin.
